THERAPEDIC® INTERNATIONAL

THERAWAVE

Designed for perfect spinal alignment

neropur®
made from Neroli Oil
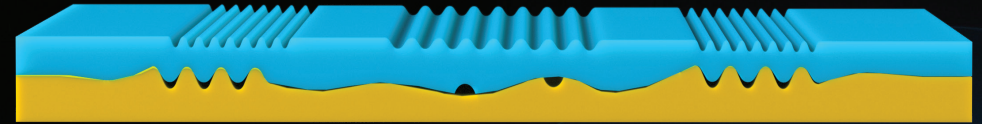

NeroSoy featuring Neropur®

The comfort layers work in unison with the springs providing perfect vertical integrated pressure relief.

- Designed and engineered to contour to the natural spinal curvature and provide extra support in lower back area

- Unique 2 layered pocket spring system has the top layer softer than the bottom layer for gradual pressure relief and curved for spinal alignment

EXTRA SUPPORT FOR LOWER BACK

SOFTER SPRINGS

PRESSURE RELIEF FOR SHOULDERS   PRESSURE RELIEF FOR HIPS

FIRMER SPRINGS
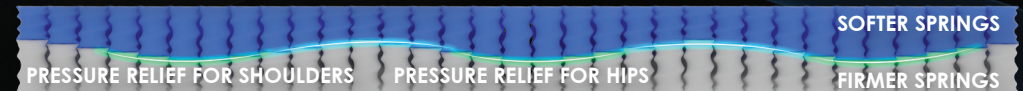

TGA MEDICAL DEVICE CLASS 1 ARTG: 459568

TGA Medical Device Class 1 compliant. The Therapeutic Goods Administration (TGA) is part of the Australian Government Department of Health and is responsible for the regulation of therapeutic goods to ensure their safety, quality and effectiveness. To recover from our daily activities we need perfect comfort and supportive spinal alignment.

Cloudflex

Tested By **RMIT UNIVERSITY**
 Cloudflex

 Memory Foam

A hybrid of memory foam and high-resilience foam which offers a unique feel and improved functionality. It combines the softness and comfort of memory foam with the support and bounce back of high-resilience foam. Cloudflex is designed to conform to the contours of the body and is proven to be more effective at pressure redistribution than traditional memory foams.
